

TAS ISLAND TRAVEL

LAUNCESTON DAY TOUR

Winter (May—Sep): Every Friday
 Summer (Oct—April): Every Friday and Sunday

FROM \$80 PP.

Launceston is the third oldest city in Australia. We begin our tour with beautiful Swiss Valley integrating Swiss architecture, and then we will visit a few vineyards to taste the high quality wines along Tamar River. You must get your camera ready at Brady's Lookout. At Cataract Gorge, you'll find walking and hiking trails, the world's longest single span chairlift, peacocks and wildlife, suspension bridge, and lookouts with spectacular views. During summer time (December to the end of January) we will show you around The Bridestowe Estate Lavender Farm at your own expense, which is considered one of Tasmania's most spectacular sites during flowering. And the last stop is Penny Royal Adventure Park, where you can experience the thrill of the cliff walk as you make your way across or challenge yourself on the indoor and outdoor rock climbing walls at your own cost. Then our friendly tour guide will drop you off at your hotel.
